Welcome to Seaford Rise Children’s Centre.

Playgroup meets here at the Centre each Friday morning at 10:45 until 12:30pm (during school terms except for the last week of term).

Our fees for each session are $3.00 per family.
A healthy, packed lunch/snack and water may be brought for your child, however please do not bring anything containing NUTS to the Centre.
We are an allergy aware - Nut Free Service.
If you are unsure of what foods to bring please ask for a copy of the Centre’s Food Guidelines.

We are an accredited Sun Smart Centre and encourage children to come to Playgroup with applied sun-screen, a broad brim or legionnaires hat and sleeved T-shirt to provide adequate protection from the sun.
Adults are asked to model ‘sun smart’ clothing too.

Tea or coffee and travel mugs for the adults are provided in the kitchen and we ask for a 50c donation to help supply this.
Setting up time begins soon after 10.30am by our playgroup Co-ordinator. If you would like to assist please let her know. We have a pack up time around 12.00 and ask that all parents and children help. After packing up we finish with a song time and any news that needs to be shared.

The Director of the Kindergarten is Kim Noble Ph: 8386 0505.
Kim (or the Kindergarten teacher, Audrey) is usually available to talk about playgroup and can answer queries about the Centre's Kindergarten programmes.
The Playgroup Coordinator is Bianca Wakefield Ph: 8327 4443
Bianca co-ordinates the Playgroup with Sarah Marley.
We ask that families mark themselves as present on the Playgroup roll upon arrival and put their $3.00 fee into the playgroup money container.

We hope you and your children enjoy your time at our Playgroup and look forward to getting to know you and your family.
Any queries please contact Kim or Bianca on the above contact numbers.
AIMS OF OUR PLAYGROUP

- To provide a safe, caring and learning environment for your child
- To provide opportunities for social contact for both children and parents
- To create a friendly group of people who can share knowledge of their personal experiences in child development

THE VALUE OF PLAYGROUP

We hope to provide:
- Opportunities to play with other children and relate to other adults
- A variety of learning activities which we know our children will enjoy
- Opportunities for learning through watching, listening and doing
- A chance to belong to a group and yet learn to be independent and self confident
- Opportunities to learn to share

Playgroups recognize that we, as parents, are the first most important teachers of our children and we hope that you will benefit from attending our playgroup by:

- Meeting other parents and making friends
- Sharing ideas, skills and problems
- Understanding your child better through observing him/her at play with others

MOST IMPORTANTLY PLAYGROUP IS FUN!!

And yes, we do have some rules ……

As being at playgroup may be your child’s first experience of being with lots of other children and adults, we must make sure that this initial experience is a happy and safe one

So please:
- SUPERVISE your child/ren closely
- Please take the time to help other children near you
- Help us to create a caring environment by behaving and talking in a positive manner
- Ensure that you bring you child’s hat for outside playtime
- Use a travel mug when you have a hot drink
